Recent Progress

- Esat: Worked on the layout for the coding project, appearance requirements and more for the development report.
- Kent: Worked on the requirements section and use-cases for the development report.
- Jonathan: Spent some time formatting the document for the requirements report due at the end of this week. Looked into how to make use-case diagrams for the report as well.
- Jose: Worked on requirements document.

Current Action Items (Work In Progress)

- Esat: Spending more time on the UI of Silent Spaces and updating JIRA for team know the recent changes made and new goals we need to accomplish before certain deadlines.
- Kent: Figure out unique usernames for Silent Spaces Project. Reconvene on JIRA and update for previous weeks.
- Jonathan: Need to keep working on the report, and coordinate with the team to keep making steady progress on our coding project for our demo post spring break, specifically with the google maps api integration.
- Jose: Start implementing features discussed in our second scenario to be prepared to present for our second demo.
